HERE ARE SOME WAYS YOU CAN HELP:

*The mission of the Clarenville Area SPCA
is to protect and care for animals that
have no other shelter.*

~~~~~

When possible, services are expanded to include animals whose owners have to relinquish them for one reason or another. A special fund to spay or neuter selected animals to enhance their adoptability has been established.

~~~~~

The organization is governed by a volunteer board of directors and enjoys the assistance of over 100 supporters who help with the annual flea markets, bake sales, ticket sales, and Walk for the Animals.

~~~~~

The Clarenville Area SPCA is funded solely through public donations and the proceeds from fundraising events. Costs are substantial, and your help is very much appreciated.

~~~~~

*The Clarenville Area SPCA
aims to educate people to treat animals
with the respect and love they deserve
and encourage people
to be responsible pet owners.*

- 🐾 **Co-op Number** - Buy your groceries at the Clarenville Area Co-op using member number 9000. Every dollar counts toward much-needed supplies.
- 🐾 **Canadian Tire Money** – This money is used to purchase items for the shelter.
- 🐾 **Recyclables** - Drop your recyclables at KC Recycling, and ask them to credit the SPCA account.
- 🐾 **Used Items** – Two flea markets are held annually. Items you no longer need or use are appreciated. Please drop items off at the shelter or call to arrange pickup (sorry, we are unable to accept clothing).
- 🐾 **Donations of Food and Supplies** - Food, treats, toys, and litter are always welcome. Used blankets make great beds for the animals. Shelter supplies such as paper towels, laundry detergent, toilet paper, bleach, and dryer sheets help to reduce operating costs.
- 🐾 **Shelter Volunteer** – Volunteers are needed to work evening and weekend shifts at the shelter. You may assume a regular weekly shift or volunteer on a casual call-in basis.
- 🐾 **Fostering** – Provide temporary housing for dogs until adopted or space is available at the shelter. Food and all supplies are provided.
- 🐾 **Dog Walking** – Dogs at the shelter need daily exercise and would make great companions on your daily walk.
- 🐾 **Membership** – Join the SPCA organization. Annual membership fees help keep the shelter in operation.
- 🐾 **Fundraising** – Volunteer your time to help with shelter fundraising events. These include an annual Walk for the Animals, ticket sales, fall/spring flea markets, and bake sales.
- 🐾 **Monetary Donations** – Donations are accepted for the spay/neuter program or general fund. Contributions can also be made through “In Memoriam” and “Gift” donations. Donors will be provided with a tax receipt, and acknowledgement cards will be sent to the family or to those you are honoring.
- 🐾 **Corporate Sponsorship** – Corporate sponsors are invited to place ads on the website. Call the shelter or visit the web site for details.
- 🐾 **Promotional Items** - Purchase SPCA quality clothing, featuring the new logo, at the shelter or through the on-line shop. These items make great gifts.
